Prior to using the Tax Estimator, please be aware of the following information:

- Estimates are based on the data you input and are not official estimates.
- Tax calculations are determined using current tax tables and are based only on the amount of the estimated benefit. They are not a determination of your actual taxes during retirement.
- Federal law may limit benefits to some highly compensated members.

Nebraska School Employees Retirement Systems

The following pension information provides an overview of the benefits available to members of the Nebraska School Employees Retirement Systems and does not constitute the plan document which can be found in the Nebraska Statutes 79- Article 9, The Nebraska School Employees' Retirement Act.

The provisions of the School Retirement Laws, in all cases, supercede the information provided in this notebook.

Defined Benefit Plan

HOW IT WORKS:

The Nebraska School Retirement Plan is a “Defined Benefit Plan.” This means that the method for determining your retirement benefit at retirement is based on a **formula** as defined in the Nebraska School Retirement System Law.

There are two distinct concepts of a Defined Benefit Plan:

- **CALCULATION** of your benefit at retirement (how much your benefit will be), and
- **FUNDING** of your retirement benefit (where the money comes from).

Calculation of Your Benefit At Retirement

As a member of a Defined Benefit Plan, your account balance **IS NOT** considered when calculating your retirement benefit.

As a School Plan (Defined Benefit Plan) member, your benefit at retirement is **calculated** based on a **formula**. The formula uses an average of your highest 12-months periods of salary (counting back from the final month of pay), multiplied by your total years of creditable service, the formula factor set by law, and the retirement benefit payment option you select.

FORMULA								
Average Highest 12-Month Periods Compensation	X	Years of Creditable Service	X	Formula Factor (Currently 2%)	X	Option Factor	=	RETIREMENT BENEFIT PAYMENT
<p>NOTE: Your benefit is calculated based on the law in effect at the time you cease employment. To qualify for the 2% multiplier, you must have been employed on or after May 2, 2001, and earned at least one-half year of creditable service on or after the 2000-2001 school year.</p>								

Funding of Your Retirement Benefit

Your retirement benefit is funded from 4 sources:

Source #1	Source #2	Source #3	Source #4
YOUR ACCOUNT	YOUR EMPLOYER	STATE OF NEBRASKA	INVESTMENT EARNINGS
As a MEMBER of the School Retirement System, you are required by law to contribute a set percentage of your gross compensation.	Your EMPLOYER is required by law to match your contributions at the rate of 101% . The employer contributions are not credited to your individual account, but provide funding for your benefit at retirement.	The STATE OF NEBRASKA annually contributes a percentage of total members’ compensation and may contribute an additional amount to fund the Plan, if recommended by the actuary. These funds are appropriated by the Legislature. The current contribution rate is 2.0% .	INVESTMENT EARNINGS on Plan assets help provide funds for both your future benefit and for the interest credited each month to your account.

Your retirement benefit is not based on the contributions made, but is based on a **formula**. The contributions help to fund your benefit **for life**.

Formula:

- Salary (Compensation)
- Creditable Service

COMPENSATION AND YEARS OF CREDITABLE SERVICE

The Nebraska Public School Employees Retirement Plan is a Defined Benefit plan as provided by state statutes. Upon termination and reaching retirement age, eligible members may receive retirement benefits in the form of a monthly annuity (pension) paid for their lifetime.

In order to calculate monthly benefits, the Nebraska Public Employees Retirement Systems (NPERS) must maintain accurate data for the member's years of service and salary. This statement provides notification of your account as of the statement date. **Please review your salary and years of service. If you believe this data is in error, notify our office in writing ASAP.**

This statement is not a guarantee of benefits. Your years of service and salary will be reviewed and verified when you apply for benefits. The compensation listed is for the fiscal year timeframe and may not match your contract salary. For information on plan provisions, including how benefits are calculated and when to apply, please refer to the member handbook at npers.ne.gov.

According to NPERS records, your total years of service credit as of June 30, 2018 was 5.0000.

According to NPERS records, your retirement compensation from July 1, 2017, to June 30, 2018, was \$45,000.
(Zeros will appear if you were inactive and did not contribute to the plan during the fiscal year listed.)

Refund Repayment Deadline Notification:

The passage of LB1042 in 2014, created time frame limits to repay a refund. Reemployed members are now limited to five years from their return to plan participation to apply for and complete repayment. Members actively employed and participating in the plan when the bill was passed (April 17, 2014) have until April 16, 2020, to apply for and complete repayment. NPERS must receive the refund repayment application at least 60 days prior to termination or the deadlines listed above. Breaks in service may alter eligibility and repayment timeframes. Please refer to the plan handbook for further details.

NOTE: *Refunded years currently in repayment status will not be reflected in this statement until the payment is completed.*

TERMINATED MEMBER ADDRESS UPDATES

Upon termination of employment, it is your responsibility to notify NPERS of any changes in your address. Failure to provide address updates may result in loss or suspension of benefits. Address update forms are available on our website at npers.ne.gov.

BENEFICIARY DESIGNATION - SEE REVERSE SIDE OF THIS STATEMENT

Safe Harbor Method

Your monthly benefit will be taxed under the "Safe Harbor" method which is calculated by dividing your pre-'86 contributions by the fixed number of payments assigned to your age group. The remaining portion of your benefit will be taxable.

Age	# of Payments
Under 55	360
Over 55 but not over 60	310
Over 60 but not over 65	260
Over 65 but not over 70	210
Over 70	160

After receiving the fixed number of payments, the monthly benefit becomes 100% taxable.

EXAMPLE

- \$5,000 in Pre-'86 Contributions
- Age 55 = 360 Payments Assigned

$$\boxed{\$5,000} \div \boxed{360} = \boxed{\$13.89} \text{ Tax-Free for 360 Payments}$$

Taxes

Taxes withheld from each check

- Federal and Nebraska (W-4P & W-4N)

Change as needed

- Must use W-4P (on website with *Checklist*)

Nebraska taxes for Nebraska residents

- Cease Nebraska withholding if not a resident
- Must file W-4N stating "Exempt"
- Withholding **NOT based on address**
- State taxes determined by your new state of residence

TAXATION

IMPORTANT

NPERS does not provide tax advice. In all cases, members should consult the Internal Revenue Service, their state's revenue agency, or a tax professional, as appropriate, for information on tax consequences, questions, or matters.

Contributions to the School Plan are not taxed when deducted from your salary. Distributions, whether in the form of a monthly benefit or refund, are therefore subject to state and federal income tax.

Contributions made prior to January 1, 1986, were taxed before being deducted from salary. These contributions are not subject to State and Federal income tax and will be returned to you tax free (see "Safe Harbor").

When Receiving a Retirement Benefit

NPERS will withhold federal taxes from each monthly check at the rate you specify on the W-4P (included in the retirement packet and available on the NPERS website). If you do not complete and submit this form to NPERS, we will withhold at the rate of "single" with "0 (zero)" allowances." You may change your withholding at any time by submitting a new form. Members who have created an online account via the NPERS website may also change withholding online.

If you are a resident of the State of Nebraska when receiving monthly retirement payments, NPERS will withhold Nebraska taxes from your benefit at the same withholding rate you select for federal taxes.

If you move and are *no longer a resident of Nebraska*, you need to submit an updated W-4N. Your benefit will be taxable in accordance of the laws of the state you move to. You may need to contact the Department of Revenue for the state you have moved to in order to determine tax liability and establish a payment process. NPERS can withhold Federal and Nebraska taxes, but not taxes due to another state.

Your retirement income will be reported to you on a 1099-R form each year in January for the payments received the prior year. A copy of that form will also be provided to the Internal Revenue Service.

Service Credit

- Granted for Time Worked
- Service Verified by Employer(s)
- Contributions on Account for that Time

CREDITABLE SERVICE

The service credit used to calculate your benefit is defined per state statute. All employees must have their hours tracked every time they render service, at the time they render service, to ensure they receive the correct retirement benefit.

CREDITABLE SERVICE INCLUDES:

- Hours worked
- Used sick hours, used vacation hours, holidays, and any other leave hours for which you are paid regular wages as part of the your agreement with your employer

CREDITABLE SERVICE DOES NOT INCLUDE:

- Lump-sum payments to the employee upon termination or retirement in lieu of accrued benefits for such days
- Eligibility and vesting credit
- Service years for which member contributions are withdrawn and not repaid by the member
- Service rendered for which the retirement board determines that the member was paid less in compensation than the minimum wage as provided in the Wage and Hour Act
- Service which the board determines was rendered with the intent to defraud the retirement system

Accrual Rate

Service credit is accrued based on the total eligible hours worked.

SINCE JULY 1, 2002

Since July 1, 2002, the following rules apply:

- If you work 1,000 or more hours in a plan year (July 1–June 30), you will receive one year of creditable service.
- You will receive fractional credit for the portion of the School Plan year worked based on 1/1000 of a year credit for each hour worked. Salaried employees who are part-time receive the same percentage of credit as their percentage of full-time equivalency.

RULES FROM JULY 1, 1986 TO JUNE 30, 2002

Rules from July 1, 1986 to June 30, 2002:

- One year of creditable service was earned by working 1,032 or more hours during a plan year. For those working between 516 hours and 1,032 hours during a plan year, partial credit was given. No person working less than 516 hours during a plan year earned service credit.

PRIOR TO JULY 1, 1986

Rules prior to July 1, 1986:

- One year of creditable service was earned on the basis of working full time for at least 120 days in a fiscal year. Under certain conditions, fractional years of service were granted for those working either part time or less than 120 days.

Military Service

Members who are reemployed after qualified military service may be eligible for vesting and service credit for their period of military service. The employer shall be responsible for funding covered military service benefits including member and employer contributions. Military service credit provisions only apply to service that falls within the definition of uniformed service per the Uniformed Services and Reemployment Rights Act of 1994 (USERRA).

Members who wish to have their military service reviewed for potential service credit should file their request to NPERS in a timely fashion. Please contact NPERS for further assistance regarding eligibility, the application process, applicable time frames, and the documentation necessary to support such an agreement. For further explanation see the “Military Service Guidebook for Plan Members & Reporting Agents” available at NPERS.NE.GOV.

HEART ACT

Heroes Earnings Assistance and Relief Tax Act of 2008

For any member whose death occurs on or after January 1, 2007, while performing qualified military service, the Heroes Earnings Assistance and Relief Tax Act of 2008 (HEART Act) requires their beneficiary(ies) be entitled to any additional death benefit he or she would have received had the member been employed during the period of military service when the death occurred. For assistance, contact NPERS.

Repayment of Refund

- **Restores service credit**
 - Potential return to prior Tier status
- **Must be actively employed in a NE public school & contributing to the plan**
- **Submit application & repay within 5 years of reemployment and prior to termination**
 - Application submitted 60 days prior to deadlines
- **Visit NPERS website for estimates**

REPAYMENT OF REFUND AND OPTIONAL SERVICE CREDIT

INCREASING YOUR CREDITABLE SERVICE

There are several ways you can increase your creditable service through the payment of money to the School Plan. These fall into two categories:

Repayment of Refund

Optional Service Credit

Repayment of Refund

Repaying a refund reinstates prior creditable service and if the refund is repaid in full, it will return you to your prior benefit tier status. In addition if this restored service includes any of your highest 12-month periods of compensation, it will be used when calculating your final average compensation.

An application to repay a refund may be submitted on a one-time basis under the following conditions:

- You must be a regular employee contributing to the School Plan.
- You must apply for and repay the refund within the first five years of reemployment or prior to termination, whichever is earlier.
- Due to processing timelines, your Application for Purchase of Refunded Service form must be received by NPERS at least 60 days prior to the five-year or termination deadlines.
- If the refund is not repaid in full by the deadlines, service credit will be restored in proportion to the amount repaid.

Repayment costs are calculated based on the amount of the refund and the actuarial assumed rate of return that would have been earned on the funds from the time the refund was taken until it is repaid. For your convenience, you may estimate the cost using the refund repayment factors on the School “Plan Info” page on the NPERS website.

You may repay all or a portion of the refund. Your “oldest” years must be purchased first and you must purchase the exact amount of service credit earned in each fiscal year. If you wish to return to your prior benefit tier, you must repay the refund in full.

EXAMPLE

If you took a refund which erased three years of service credit:

Starting with the oldest service, you may elect a **one-time** repayment for one, two, or all three years.

STEPS TO REPAY A REFUND

- Step 1** Submit a written request to NPERS at least 90 days in advance of the five-year or termination deadlines to request a refund repayment estimate. NPERS will calculate an estimated cost and send you the Application for Purchase of Refunded Service and Method of Payment forms.
- Step 2** Complete and submit the Application for Purchase of Refunded Service and Method of Payment forms to NPERS. These forms must be received at least 60 days prior to the five-year or termination deadline. Be aware this will be your one-time opportunity to elect repayment. NPERS will assign a payment due date and calculate a final cost based on the repayment option you selected. You will be notified by mail of this amount and the due date.
- Step 3** Payment must be received in our office by the five-year or termination deadlines. Methods of payment are explained at the end of this section. Members who submit a repayment application within one year of the five-year or termination deadlines cannot utilize the payroll deduction option for repayment of a refund.

Optional Service Credit

Why purchase?

- More service = higher monthly benefit
- May help some reach the rule of 85

Three options

- Leave of Absence
- Out of State/Omaha
- 12-month Preretirement

Processing timelines

- Initial request one year prior to term

Optional Service Credit

There are three types of optional service credit that may be purchased:

1 LEAVE OF ABSENCE

A leave of absence is a sabbatical, maternity leave, exchange teaching program, full-time leave as an elected official of a professional association or collective bargaining unit or leave of absence to pursue further education or study. You may purchase service credit for a qualified leave of absence under these conditions:

- You must be a regular employee contributing to the School Plan.
- The leave of absence must be authorized by your board of education or the school district.
- You may purchase time equal to the leave which cannot exceed four years in length.
- You must return to employment in a school district other than a Class V district (Omaha) within one year after completing the leave of absence.
- **Interest Based Purchase** - If you were employed or under contract on or *prior to* July 19, 1996, have not changed employers since that date and elect to pay for your leave of absence *within three years* of returning from the leave, you must pay the required deposits of both the employee and employer that would have been made on your behalf if you had not taken the leave of absence, plus interest that would have accrued on the deposits, based on your compensation for the period immediately prior to the leave of absence. Payment must be completed within five years of your return to membership or prior to your termination date, whichever is sooner.
- **Actuarial Based Purchase** - If you were hired or rehired *after* July 19, 1996, you will pay the actuarial cost to the School Plan for allowing the additional service credit.

Payment must be made within five years after the election to purchase the leave-of-absence service or prior to termination, whichever comes first.

In all cases, the creditable service purchased for a leave of absence will be used to calculate your retirement benefit, but the salary associated with the service cannot be used in the calculation.

The leave of absence must be verified before NPERS can provide a purchase cost to you.

2 OUT OF STATE OMAHA PUBLIC SCHOOLS SERVICE

You may purchase credit for public school service outside of Nebraska or in the Omaha Public Schools under these conditions:

- You are a regular employee, contributing to the School Plan.
- Credit is limited to the amount of service forfeited, up to a maximum of 10 years.
- Credit is limited to an amount equal to your total creditable service acquired in Nebraska upon termination.
- You must provide proof of forfeiture of benefits in order to purchase service.
- You must pay the actuarial cost to the School Plan for the additional service credit.

Full payment must be received within five years of your election to purchase service or prior to termination, whichever comes first.

The service purchased will be used when calculating your retirement benefit, but the salary associated with the out of state service will not be used in the calculation.

Your out-of-state or Omaha Public School service must be verified before NPERS can provide a purchase cost to you.

3 TWELVE-MONTH PRERETIREMENT SERVICE PURCHASE

You may purchase up to five additional years of service credit in contemplation of retirement. To qualify, all of the following conditions must be met:

- You are a regular employee contributing to the School Plan.
- If you joined the School Plan before July 1, 2014, you must have a minimum of five years of earned creditable service. If you joined the School Plan on or after July 1, 2014, you must have a minimum of ten years of earned creditable service. Earned service credit does not include vesting credit (see “Eligibility/Vesting”).
- At the time you purchase the service, you must have entered a written agreement that you will retire within 12 months of the day of the agreement.
- If you do not terminate employment and begin receiving benefits, within 12 months from the date of your service purchase agreement, the purchase will be cancelled and all payments returned, excluding any interest earned.
- The cost of the service purchase is the actuarial cost to the School Plan for allowing the additional service credit and must be paid for by the School Plan member.

Payments must be completed prior to termination.

STEPS TO PURCHASE OPTIONAL SERVICE CREDIT

- Step 1** Contact NPERS in writing and indicate type and amount of service you wish to purchase. Due to the time frames involved, NPERS recommends initiating requests to purchase optional service credit no less than 12 months prior to termination.
- Step 2** NPERS will calculate an estimated cost and send you the Application for Purchase of Service and Method of Payment forms. You can get a rough estimate of the cost to purchase out of state or 12-month preretirement service credit by utilizing the optional service credit estimator on the NPERS website.
- Step 3** Complete and submit the Application for Purchase of Service and Method of Payment forms to NPERS no less than 60 days prior to your last day of employment. If this paperwork is not received by the 60th day prior to termination, you will not be allowed to purchase service credit.
- Step 4** You will be notified by mail of the final purchase price and payment due date.
- Step 5** Payment must be received in our office by the due date or prior to termination – whichever is earlier.

Methods of Payment to the School Plan

You may make payment to the School Plan through after-tax direct payments or installment payments, after-tax payroll deductions, or pre-tax rollover payments. Payment options may be restricted in order to satisfy statutorily mandated deadlines. Personal checks are not accepted.

As payment, you may use a rollover from another qualified 401(a) plan [including a 401(k) plan], a 403(a) or (b) Tax Sheltered Annuity Account, a 457(b) Eligible Deferred Compensation Plan or a 408(a) or 408(b) Individual Retirement Account. You may also use a trustee-to-trustee transfer from a 457 deferred compensation plan or a 403(b) tax-sheltered annuity.

Payments made to purchase service on an after-tax basis will be subject to contribution limits under §415 of the Internal Revenue Code. §415 limits do not apply to repayment of refund. You may wish to consult with a tax professional for assistance

Plan participation means the date you joined the Nebraska Public School Retirement Plan. For most members, plan participation began on their initial date of hire. In some instances, the date of plan participation may vary based on initial employment in a temporary or part time basis, or a return to plan participation after taking a refund. Please refer to your member handbook for more information.

NOTE: Due to the time frames involved, NPERS recommends initiating service purchase requests no less than 12 months prior to termination.

Enter the total years of service you will have at the time of the service purchase. Under current law, 1,000 or more hours of service in a plan year (July 1 - June 30) provides one full year of service.

Example: You have accumulated 27 years of service prior to this plan year. At the time of purchasing the service you will have worked 700 hours during the current year. You would input 27.70 total years of service.

Years of service are reported annually on member statements or may be researched by creating an online account.

Enter your highest 12 month period of salary. Does not have to be your current salary (but for most members it will be). Input total gross wages (prior to deductions) for the 12 month period.

Out of State/OPS Credit is limited to the amount of service forfeited, up to a maximum of 10 years. In addition, credit cannot exceed an amount equal to your total creditable service acquired in Nebraska upon termination. Excess service will not be used in the benefit calculation and the purchase cost refunded. You must be currently employed and contributing to the plan to purchase service. You will be required to provide proof of forfeiture of benefits from the prior system.

12 Month Preretirement You may purchase up to a maximum of 5 years. You must be currently employed and participating in the plan. You must have already accrued a minimum amount of service credit in order to purchase additional years of service. You must meet age and years of service requirements (including the service purchased) to be eligible to draw a benefit, and have entered into a written agreement to retire within 12 months.

Purchases made through payroll deduction or direct installment payments **will include a finance charge and will add to your purchase cost.**

In all circumstances, payment for optional service credit must be completed prior to your termination date.

If you wish to proceed with the purchase of optional service credit, please write to NPERS and indicate the type of service you wish to purchase and the amount of service credit you wish to purchase. IMPORTANT NOTE: Do not send payment at this time. Your "actual cost" will not be computed until NPERS receives a completed application and method of payment form from you.

Eligibility/Vesting

- Five (or more) years service credit
- Less than 5 years - only eligible for refund
- Refund does not include employer match

ELIGIBILITY/VESTING

Members must be vested in order to be eligible for a monthly retirement benefit. Unvested members are only eligible for a refund consisting of their contributions, plus interest.

VESTING PROVISIONS

There are two vesting provisions, per state statute:

- Accruing five years of service credit in the Nebraska Public School Retirement plan
- Working at a participating employer up to age 65 with at least half a year of service credit

IMPORTANT

The half a year vesting provision at age 65 will not apply to a member who joined the School Plan on or after July 1, 2016, or a member who has taken a refund or retirement and returns to plan participation on or after July 1, 2016.

Vesting Credit

Within the first 180 days of employment, a school employee may apply to NPERS for eligibility and vesting credit for years of participation in another Nebraska governmental plan, as defined by §414(d) of the Internal Revenue Code.

IMPORTANT

Vesting credit is not “service credit.” It will not be included as creditable service in your retirement benefit calculation but instead is used to determine eligibility/ vesting.

Your employer should provide you with an Application for Eligibility and Vesting Credit form at the time of your initial employment. To be considered, your completed application must be received by NPERS within 180 days of your employment. There are no exceptions. If you fail to apply for vesting credit within this time frame, you are not eligible for vesting credit.

During the years of participation in another Nebraska governmental plan, you must have been a full-time or a part-time employee.

EXAMPLES OF NEBRASKA GOVERNMENTAL EMPLOYMENT

- State government
- Municipal government
- Public power district
- Law enforcement
- County government
- State university or state college

Employment that would not qualify would be federal government, out-of-state university or college, and any non-governmental employment.

Eligibility/Vesting

Your age on your effective date

- Effective date is when benefits begin

Unreduced benefit

- Effective date on or after age 65
- Effective date prior to age 65
 1. Rule of 85 (Tiers 1, 2, and 3)
 - Minimum age 55
 - Age + Service equals 85 or greater

Reduced benefit

- Ages 60 – 64
 1. 3% reduction for every year under 65
 2. Permanent reduction

RETIREMENT: AGE

Once vested, your age will determine if you are eligible to begin receiving monthly benefits and if those benefits are reduced or unreduced.

IMPORTANT

There are two important points to remember:

- NPERS will calculate benefits using your age on your effective date of retirement rather than your age when you ceased employment.
- Benefits are calculated based on the law in effect at the time you terminate employment.

Age 65: Unreduced Normal Retirement

“Normal” retirement age is age 65. Vested members are eligible to receive an unreduced retirement benefit at age 65.

Rule of 85: Unreduced Early Retirement

TIERS ONE/TWO/THREE

At ages 55 to 64, you may qualify to receive unreduced benefits under the “Rule of 85” if your attained age plus your creditable service equals 85 or greater.

EXAMPLE: 55 YEARS OF AGE, 30 YEARS OF SERVICE

55
Years of Age

+

30
Years of Service

=

85

There is no age reduction of your benefit.

EXAMPLE: 58 YEARS OF AGE, 27 YEARS OF SERVICE

58
Years of Age

+

27
Years of Service

=

85

Eligible for an unreduced retirement benefit.

If you have partial years of service credit, NPERS will use your partial attained age to determine eligibility for the “Rule of 85.”

EXAMPLE: 55.5 YEARS OF AGE, 29.5 YEARS OF SERVICE

55.5
Years of Age

+

29.5
Years of Service

=

85

Eligible for an unreduced retirement benefit.

TIER FOUR

At ages 60 to 64, you may qualify to receive unreduced benefits under the Tier Four “Rule of 85” if your attained age plus your creditable service equals 85 or greater.

EXAMPLE: 60 YEARS OF AGE, 25 YEARS OF SERVICE

60
Years of Age

+

25
Years of Service

=

85

There is no age reduction of your benefit.

EXAMPLE: 63 YEARS OF AGE, 22 YEARS OF SERVICE

63
Years of Age

+

22
Years of Service

=

85

There is no age reduction of your benefit.

If you have partial years of service credit, NPERS will use your partial attained age to determine eligibility for the “Rule of 85.”

EXAMPLE: 60.5 YEARS OF AGE, 24.5 YEARS OF SERVICE

60.5
Years of Age

+

24.5
Years of Service

=

85

If you have 24.5 years of service, you will meet the “Rule of 85” once you attain the age of 60 and six months.

Early Retirement At Age 60: Reduced

You may qualify to receive a reduced retirement benefit as early as age 60 if you have five or more years of creditable service.

There will be a ***permanent*** 3% per year reduction for each year your attained age is less than age 65.

ATTAINED AGE (MUST BE AT LEAST 60)	CREDITABLE SERVICE	BENEFIT REDUCTION
60	24 YEARS OR LESS	15%
61	23 YEARS OR LESS	12%
62	22 YEARS OR LESS	9%
63	21 YEARS OR LESS	6%
64	20 YEARS OR LESS	3%

Eligibility/Effective Date

- **Effective date is when benefits begin**
- **First day of the month following...**
 - You are eligible for benefits (Age & Vesting); **AND**
 - Your school employment terminates; **AND**
 - Your completed application is received by NPERS
- **First benefit in approximately 3 calendar months**
 - Your contributions/hours must be submitted/reported
 - 1st payment retroactive to effective date
 - Potential 95% “preliminary” benefit

WARNING

If you do not file your application for retirement with NPERS in a timely manner in accordance with these requirements, it will result in a loss of benefit payments. ***If you have questions about how your effective date of retirement is established, please contact NPERS for clarification.***

EXAMPLE: DETERMINING EFFECTIVE DATE

If you are age 55, have 30 years of service and your school employment terminates May 25, your effective date would be June 1 (provided your application has been received prior to June 1).

$$\begin{array}{|c|} \hline \mathbf{55} \\ \hline \text{Years of} \\ \text{Age} \\ \hline \end{array}
 +
 \begin{array}{|c|} \hline \mathbf{30} \\ \hline \text{Years of} \\ \text{Service} \\ \hline \end{array}
 +
 \begin{array}{|c|} \hline \mathbf{5/25} \\ \hline \text{Termination} \\ \hline \end{array}
 =
 \begin{array}{|c|} \hline \mathbf{6/1} \\ \hline \text{Effective Date} \\ \hline \end{array}$$

However, if you have 30 years of service, your school employment terminates May 25, but you do not turn age 55 until June 15, your effective date would be July 1. If you were to inadvertently wait until September to submit your completed application to NPERS, your effective date would be October 1, and you would have lost benefit payments for July, August and September.

Your employer will notify NPERS of the date of your termination by submitting a Non-Contributing Member Form. Your employment contract language will be used to determine the date your employer-employee relationship is dissolved for purposes of determining your effective date of retirement.

You must incur a bona fide termination in order to begin drawing your retirement benefit. State statute requires ALL terminating members complete and submit a “Non-Contributing Member” form to NPERS. This completed and signed form must be received prior to distribution of any retirement benefits from the member’s account (see “Reemployment”).

You can expect your first payment approximately **3 calendar months after** your effective date of retirement provided NPERS has received all necessary documentation. No matter when you actually receive your first payment, it will be retroactive to your effective date of retirement. *During peak summer retirement months, processing time could be longer.*

- If the school has reported your total hours and submitted all contributions at the time NPERS processes your account, we will process your benefit payment as a final monthly retirement benefit.
- If the school has reported your total hours but not yet submitted all contributions to NPERS, we may be able to process a 95% “preliminary” monthly retirement benefit. If your account is processed as a preliminary benefit payment, NPERS will recalculate your monthly retirement benefit after you have received an equivalent of five months of benefit payments. Under certain circumstances, such as a salary dispute or an extended contract negotiation, it may be more than five months before the recalculation occurs. The recalculation will include all salary and contribution information received from the school and will finalize your monthly retirement. Recalculation of your benefit may or may not change your monthly benefit amount.

RETIREMENT: APPLICATION PROCESS

IMPORTANT

It is your responsibility to apply for your benefit! Retirement benefits will not start automatically. **Delaying your application may result in a partial or complete loss of pension benefits!**

STEPS TO TAKE BEFORE YOU RETIRE

- Step 1** Contact NPERS in writing or by telephone at least **three months** before your anticipated retirement/effective date to avoid delays in payment. If you contact NPERS in writing, please include your name, phone number, home address, Social Security number, employer/position, and your anticipated date of termination. If you wish to include estimated benefits for either the Spousal or Non-Spousal Joint and Survivor options, please include the date of birth of the individual you intend to select as your beneficiary (see “Retirement Benefit Payment Options”).
- Step 2** NPERS will verify your salary and service history, and create an estimate of benefits *based on your current account status*. Final benefit amounts will be determined when your employer submits your final salary and service data to our office, and your retirement application is received by NPERS.

STEPS TO TAKE BEFORE YOU RETIRE

- Step 3** NPERS will send you a Retirement Packet. This packet will contain your estimate of benefits and the paperwork you need to complete including the Application for Retirement form.
- Step 4** A “Non-Contributing Member” Form must be submitted to us by your employer. NPERS must be in receipt of this completed form prior to release of benefits.
- Step 5** Complete and return your Application for Retirement to NPERS preferably 30 days, but *no more than 120 days prior* to your effective date of retirement. You may file your application by mail or in person by making an appointment with NPERS.

WARNING

Regardless of how you file, please note: NPERS cannot accept an application earlier than 120 days prior to your effective date and will send a new application for you to resubmit.

- Step 6** Verify your age by filing with NPERS a legible copy of your Certificate of Birth recorded before you were five years of age. If your birth certificate was not recorded before you were age five, you will need to submit an additional document to prove your age. Contact NPERS for a list of additional documents allowed.

Termination of employment is defined in statute. For employees with contracts, Nebraska law requires contracts to specify the contractual start and end dates. Termination of employment is determined by your contractual end date (unless additional service is rendered). For contract employees, termination of employment is not defined as your last physical day of work. Contract employees should review their contract(s). Documentation from your employer may be required. If your termination date changes, your retirement effective date may change. Please contact NPERs with any questions.

Proposed Retirement Effective Date: _____ / 1 / _____ (NPERs WILL DETERMINE YOUR ACTUAL RETIREMENT DATE.)

If you are eligible for benefits, your retirement effective date will be, the later of, (a) the 1st day of the month following the month your completed application is received by NPERs, or, (b) the 1st day of the month following the month you terminate employment. If you have a reason to claim a retirement date later than (a) or (b) (e.g. to meet the Rule of 85, to receive a lesser age reduction, to lessen wage capping, etc), enter the proposed retirement date. By law, your retirement application may be received by NPERs no sooner than 120 days prior to your retirement effective date. If your termination date changes, your retirement effective date may change and the 120-day filing window of your retirement application may change. Please be aware of the filing timeline so your application is not received too early or too late.

Nebraska law states you can only render up to 8 days of substitute and/or volunteer services in a calendar month, at all school plan employers combined, for 180 days following your termination date. If you plan to render more than 8 days of volunteer and/or substitute service during any calendar month during the 180 days after your termination date, then you cannot retire. If you violate this rule, your account will be suspended, and you will be required to repay any benefits you received. IMPORTANT: you cannot pre-arrange a return to service. Please contact NPERs with any questions.

Cost of Living Adjustment (COLA)

- **Annual adjustment each July**
 - After drawing benefits one full fiscal year
- **Benefit increase based on annual change in CPI-W**
- **Tier 1 – a maximum of 2.5%**
 - Must maintain 75% purchasing power
- **Tiers 2, 3, & 4 – a maximum of 1.0%**
 - No 75% purchasing power provision
- **If CPI-W is less, you get CPI-W rate**

COST-OF-LIVING ADJUSTMENT (COLA)

After you have been retired for at least one full fiscal year, your benefit will be reviewed for a COLA each July 1. This increase will be determined using the Consumer Price Index for Urban Wage Earners and Clerical Workers (CPI-W) during the previous fiscal year.

COLA provisions vary depending on tier status.

TIER ONE:

Your COLA is capped at 2.5%. If the CPI-W is 2.5% or less, you will receive the CPI-W, but if the CPI-W is higher than 2.5%, your COLA will be 2.5%.

Any time inflation erodes the value of your retirement benefit below 75% of the original purchasing power, your COLA for that fiscal year will be the amount of the CPI-W rate. The 2.5% cap does not apply to the 75% purchasing power COLA.

TIERS TWO/THREE/FOUR:

Your COLA is capped at 1.0%. If the CPI-W is 1.0% or less, you will receive the CPI-W, but if the CPI-W is higher than 1.0%, your COLA will be 1.0%. There is no 75% purchasing power COLA provision.

Required Minimum Distributions

IRS requires a distribution be taken from your account to create a taxable event so taxation can be assessed on the funds that have been growing tax free.

Failure to meet your RMD deadline could result in the loss of your opportunity for a lifetime, monthly benefit payment.

RMD AGES

Legislation changes over the past few years have created different RMD ages depending on when you were born.

If you were born
prior to 7/1/1949
your RMD age is **70½**

If you were born
on or after 7/1/1949
but **before 1/1/1951**
your RMD age is **72**

If you were born
on or after 1/1/1951
your RMD age is **73**

REEMPLOYMENT

State statute and federal tax code regulations stipulate a member MUST incur a bona fide termination of employment in order to receive a refund or retirement benefit. If it is determined a reemployed member did not incur a bona fide termination of employment, benefits will be suspended, and the member shall be required to repay all refunds or benefits plus interest.

Per Nebraska Statute, a member shall not be deemed to have incurred a bona fide termination if he/she subsequently provides service (paid or voluntary) for any employer participating in the retirement system within 180 calendar days after ceasing employment, unless such service is minimal substitute and/or volunteer service provided on an intermittent basis.

In this context, “intermittent basis” means no more than 8 days in a calendar month of voluntary and/or substitute service provided on a day-to-day basis (no prearrangement) and a “day of service” means any length of voluntary and/or substitute service provided during a single calendar day (whether that is 5 minutes or 8 hours of service). For more information regarding this type of service refer to our Frequently Asked Questions (FAQ) about LB 147’s Changes to the Termination of Employment Rules document available on our website.

Federal law prohibits an employee and employer from prearranging ANY return to employment or service at an employer participating in the School Plan during or before the 180-day period. These arrangements are considered by the IRS as a “sham termination.” If at any time it is determined a sham termination has occurred, benefits will be suspended and all benefits previously issued must be repaid – including interest. Failure to repay can result in garnishment of assets including wages, checking and savings accounts, and other retirement assets.

Reemployment Before Retirement

REEMPLOYMENT BEFORE RETIREMENT

If you have previously taken a refund:

If you have previously taken a refund of your accumulated contributions plus interest, you may repay the total amount and reestablish your prior service credit. If you choose to not repay the refund, you will reenter the system as a new member (see “Repayment of Refund”).

If you have NOT previously taken a refund:

If you have NOT taken a refund of your account, the new service credit you acquire will be added to your previous service when determining total “creditable service” for retirement purposes.

WARNING

If you have terminated employment and taken a refund, your previous beneficiary designation(s) is void and you must complete and submit to NPERS a new Beneficiary Designation form.

Reemployment After Retirement

If you return to employment after fulfilling the requirements for a bona fide termination and meet membership requirements, you will return to plan participation as a new member. Retirement contributions will be withheld from your compensation and you will receive service credit for service commencing from the date of eligibility. Your tier of participation will be based on the date you returned to plan participation. You should fill out a new Beneficiary Designation Form for your new account when you return to work.

IMPORTANT

If you return to employment, that is provide service other than intermittent voluntary and/or substitute service, at any participating employer prior to 180 calendar days from your termination date, you must notify NPERS of your return to service.

Death Benefit Before Retirement

If you die *prior to* your date of retirement, your benefits will go to your named, primary beneficiary(ies). Your benefits will go to your named, contingent beneficiary(ies) only if *all* your primary beneficiary(ies) have predeceased you. NPERS does not observe the passing of benefits to heir(s) of deceased beneficiary(ies) *per stirpes* (see “Beneficiary Designation”).

IMPORTANT

The spousal death benefits will apply **ONLY** if you have submitted a beneficiary form to NPERS designating your spouse as your sole, primary beneficiary.

If you die while employed with the public school system, your school district should notify NPERS as soon as possible. NPERS will send the necessary forms to the beneficiary you have listed.

General Beneficiary’s Option

If you die prior to retirement, your estate or named beneficiary, other than a surviving spouse (see below for spouse’s options), will receive a lump-sum refund of your contributions plus accumulated interest. RMD requirements apply (see “Taxation”).

Surviving Spouse’s Options

If you die prior to retirement and have designated your spouse as the sole, primary beneficiary by submitting a beneficiary form to NPERS, the following options are available:

If you die with 20 or more years of creditable service...

OR

You are age 65 or older...

YOUR SURVIVING SPOUSE MAY CHOOSE:

ANNUITY OPTION

Provided your spouse applies to NPERS **within 12 months** of the date of your death, he/she may select a monthly retirement annuity benefit, paid for the rest of his/her life under a 100% Joint and Survivorship option. The benefit is effective on the date of your death, regardless of your age at death, and will not be reduced for early retirement. NPERS will require legible proof of age for your spouse and a legible certified copy of your marriage license.

If the 12-month deadline is **not** met, your spouse will receive a refund consisting of your contributions plus accumulated interest.

OR THEY MAY CHOOSE:

REFUND OPTION

Provided your spouse applies to NPERS **within 12 months** of the date of your death, he/she may elect to receive a lump sum refund of your contributions plus interest AND an additional amount equal to 101% of your contributions plus interest. If you terminated prior to May 1, 2001, or the 12 month deadline is **not** met, your spouse will receive a refund consisting of your contributions plus accumulated interest.

If you die with 5 or more years of creditable service but less than 20 years of creditable service...

AND

You are younger than age 65 at death...

YOUR SURVIVING SPOUSE MAY CHOOSE:

ANNUITY OPTION

Provided you were employed in a Nebraska public school on or after May 1, 2001, and your spouse applies to NPERS **within 12 months** of the date of your death, he/she may select a monthly retirement annuity benefit, paid for the rest of his/her life under a 100% Joint and Survivorship option. The annuity will be reduced for early retirement. NPERS will require legible proof of age for your spouse and a legible certified copy of your marriage license.

If this deadline is **not** met, your spouse will receive a refund only of your contributions plus accumulated interest.

OR THEY MAY CHOOSE:

REFUND OPTION

Provided you were employed in a Nebraska public school on or after May 1, 2001, and your spouse applies to NPERS **within 12 months** of the date of your death, he/she may elect to receive a lump sum refund of your contributions plus interest **AND** an additional amount equal to 101% of your contributions plus interest. If you terminated prior to May 1, 2001, or the 12 month deadline is **not** met, your spouse will receive a refund consisting of your contributions plus accumulated interest.

If you die with less than 5 years of creditable service...

AND

You are younger than age 65 at death...

YOUR SURVIVING SPOUSE WILL RECEIVE:

- A lump-sum refund of your contributions plus accumulated interest.

All or part of a death benefit refund may be rolled over or transferred to another eligible retirement plan or IRA (Traditional or Roth).

IMPORTANT

- If you die after your effective date of retirement, NPERS will pay the benefits under the designated retirement payment option on your Application for Retirement (see "Retirement Benefit Payment Options").
- Proof of death is required before death benefit payments can be made.
- Once a beneficiary begins receiving a benefit, upon the beneficiary's death any remaining benefit will be paid to the beneficiary's estate. Designations *per stirpes* are not observed.
- NPERS recommends your beneficiary notify our office of your death as soon as possible. This is especially important if, at the time of your death, you were not actively employed in a public school and had deferred your retirement benefit.

HEALTH INSURANCE AFTER YOU RETIRE

Maintaining your health insurance coverage after retirement is an important part of providing economic security during your retirement. A group health insurance policy gives you access to both a large network of participating providers and to lower group costs for insurance.

Coverage options

1. You may continue your current coverage on a COBRA plan for up to 18 months after your employment ends, and you will need to contact your COBRA administrator for additional details.
2. If you have 60 months of continuous Educators Health Alliance (EHA) coverage through your school system and are between the ages of 50 – 64, you will be eligible to continue your group health insurance on a **Direct Bill Plan**. Once you turn 65 years old and become eligible for Medicare, you will be given the opportunity to convert to an Educators' Medicare Supplement plan.

3. If you are over age 65 when you terminate your group health insurance plan through an EHA school, you will be opportunity to apply for an Educators' Medicare Supplement plan.
4. You may purchase your own retail policy by contacting an agent at the insurance company of your choice.

How it works

1. Notify your school benefits department that you intend to retire, and your school will notify Blue Cross and Blue Shield of Nebraska that your group coverage will be terminating.
2. Blue Cross will mail you a health insurance packet of materials that explains your coverage options as an EHA retiree. If notification is received in a timely fashion, your packet will be mailed approximately 45 days before the end of your coverage. If you have questions about your current coverage termination date, please contact your benefits department.
3. Complete your health insurance application and return it to Blue Cross and Blue Shield of Nebraska (Attention: Membership) at PO Box 3248, Omaha, NE 68172.
4. When you near age 65, contact Social Security and Medicare up to 3 months prior to your birth month to apply for Medicare. You can get enrollment information on Medicare's web site at ***www.medicare.gov***, or call Medicare at 1- 800-MEDICARE (1-800-633-4227).
 - a. Social Security can help you with signing up for Medicare Part B. You can reach Social Security at 1-800-772-1213.
 - b. Additional information and help with enrollment in Medicare can be obtained by calling the Nebraska Senior Health Insurance Information Program, SHIP, at 1-800-234- 7119.
 - c. **Note:** The Educators' Medicare Supplement plans do not include prescription coverage, so you will need to contact an agent with your local health insurance company to purchase a prescription plan.
