The Basics

County Retirement Plan

New employees participate in the **mandatory Cash Balance** benefit immediately upon employment.

Participation is voluntary for permanent, part-time employees age 18 or older and permanent part-time seasonal employees age 18 or older. To enroll, employees must submit a Cash Balance Voluntary Enrollment Form to NPERS within their first 30 days of employment.

- Members contribute 4.5% of salary pre-tax and the County matches contributions at 150%.
- Members are “vested” after three years.
- Member accounts receive an “interest credit rate” (rate of return) based on the federal mid-term rate plus 1.5% and are *guaranteed* a minimum annual rate of return of 5%.
- Members have multiple payment options of their account at retirement.
- For more information, please refer to the [plan handbook](#).

Deferred Compensation Plan (DCP)

County employees may participate in their County’s tax-sheltered, **voluntary** retirement plan if employed on a permanent fulltime or parttime basis.

- Participants may set and change contribution amounts, or cease and resume contributions at any time. (A County that does not offer a 457 Plan may participate in the plan offered to State of Nebraska employees.)
- Taxes on the contributions and earnings are deferred until disbursement.
- Plan participants choose their own investments from multiple funds.
- This is a *long-term* retirement plan, **not** a short-term savings plan. Members cannot remove funds until they cease employment.
- For more information, please contact your employer.

We also offer half-day seminars at a cost of \$15 per member.

Enroll in a seminar, or webinar!

Each year NPERS provides seminars to help our members learn about their retirement plans and plan for retirement. Members can take advantage of these seminars, which are now available both in-person and online! For more information visit our [State/County](#) seminar page.

Forms, Forms, Forms...

Beneficiary Designation Form—Upon the death of a plan member, NPERS needs to know who should receive the funds remaining in their retirement account. Complete this form and be sure to update as needed. Please be aware that selecting beneficiaries for your retirement account is separate from selecting beneficiaries during “open enrollment” for insurance purposes through your employer. Additional beneficiary forms may be printed from our website.

Application for Vesting Credit—If you have participated in another Nebraska governmental pension plan, that participation may count toward the three years required to be vested in the County Plan. To qualify, you must complete this form and submit to NPERS within 180 days of your date of hire.
