Review Your Tax Withholding

Once each year federal law requires the Nebraska Public Employees Retirement Systems (NPERS) to remind you, as a benefit recipient, of your ongoing right to start, stop or change the tax withholding from your retirement benefit.

You are not required to have income tax withheld from your monthly benefit. However, if your estimated tax payments or withholding amounts fall short of your tax liability, the Internal Revenue Service may assess interest or penalty charges. **No action is necessary if your present tax authorization still fits your needs.**

If you want to make a change, complete the “request form” below to obtain withholding forms and instructions from NPERS. If you have questions, please call 402-471-2053 or toll-free 800-245-5712.

### 2004 Benefit Payment Schedule

If you have your monthly payment deposited directly with your bank, the following is a month by month schedule of the date payment will be made to the bank in the year 2004:

- January 30
- February 27
- March 31
- April 29
- May 28
- June 30
- July 30
- August 31
- September 30
- October 29
- November 30
- December 31

For those of you who receive your check by mail, your payment will be mailed by the payment date.

Why Stress? – Direct Deposit!

Did you know that along with distress (the bad kind of stress), there is also a good kind called “eustress” (you stress)? “Eu” means “good” in Greek, and the term defines what happens to the body when it feels mirthful (or the opposite of distress). Like the joyful stress you feel when a son or daughter marries, or your first grandchild arrives.

Recently, many of you encountered a little “distress” when your retirement benefit check did not arrive through the mail on time. The checks are scheduled to be mailed by a payment date. While this normally happens, there are occasional problems in processing the checks which can result in a day or more delay. While a delay may not be a problem for all members, it can create a definite hardship for those with automatic draws on their bank accounts or that have bills due early the next month.

Here’s a way to make sure that at least once a month you suffer “eustress” (the good kind!) where your finances are concerned. Sign up for direct deposit to avoid distress caused by late mail, bad weather, a drive to the bank, holidays, vacations, construction or whatever other stressor you can think of, including theft and loss of your check. We’re sure once you try it you won’t ever go back. It’s a free service of NPERS.

Use the attached “Request Form” to request a Direct Deposit Agreement or contact NPERS for details. ❑

1099-R Tax Statements Coming Soon

Watch your mail in mid to late January for an envelope marked Important Tax Return Document Enclosed, which will include benefit information to be filed with your 2003 income tax returns. Each box on the 1099-R is defined on the back of the form. Make sure NPERS has your current address so you receive your 1099-R in a timely fashion.

Questions about individual tax liability should be directed to your accountant, the Internal Revenue Service or your state Department of Revenue.

The following is a brief explanation of your 1099-R form:

- Box 1 shows everything we paid to you in 2003.
- Box 2a is the amount that is taxable to you.
- Box 4 is the amount that was withheld for federal taxes.
- Box 5 is the amount that is not taxable.
- Box 10 is the amount that was withheld for state taxes.

COLA Set at 2.1%

Did you notice a cost of living adjustment (COLA) in your benefit check this year? Retirees of the School, Judges and State Patrol Plans who have received benefits at least one full fiscal year (July 1-June 30) are granted a COLA increase. This increase is based on the consumer price index (CPI) and capped at a maximum percentage. By law, the COLA percentage is either capped at 2.5%, or the increase in the CPI, whichever is less. Late last July the U.S. Department of Labor revealed a CPI of 179.6 for the year ending June 30, 2002, compared to the prior year’s CPI of 175.9. As a result, the majority of School, Judges and State Patrol retirees saw a 2.1% increase in their July benefits, an amount more than the prior year’s COLA of .74%.

By law, a minimum or “floor” is set to a retiree’s purchasing power. For the School and Judges Plans, the floor is 75% of the purchasing power of the initial benefit. For the State Patrol Plan, the floor is 60% of the initial benefit. If your retirement benefit would erode to an amount below the minimum floor purchasing power, your benefit adjustment would reflect the amount necessary to return to the minimum purchasing power.

NPERS issued correspondence to all affected retirees at the end of July 2003. If you were eligible for the COLA increase, this letter explained the type of COLA and actual dollar amount of your increase. If you have questions about the COLA, please contact NPERS.
