Review Your Tax Withholding

Once each year federal law requires the Nebraska Public Employees Retirement Systems (NPERS) to remind you, as a benefit recipient, of your ongoing right to start, stop or change the tax withholding from your retirement benefit.

You are not required to have income tax withheld from your monthly benefit. However, if your estimated tax payments or withholding amounts fall short of your tax liability, the Internal Revenue Service may assess interest or penalty charges. No action is necessary if your present tax authorization still fits your needs.

If you want to make a change, complete the “request form” below to obtain withholding forms and instructions from NPERS. If you have questions, please call 402-471-2053 or toll-free 800-245-5712.

Why Stress? – Direct Deposit!

Did you know that along with distress (the bad kind of stress), there is also a good kind called “eustress” (you stress)? “Eu” means “good” in Greek, and the term defines what happens to the body when it feels mirthful (or the opposite of distress). Like the joyful stress you feel when a son or daughter marries, or your first grandchild arrives.

Retirement benefit checks will be mailed according to the Benefit Payment Schedule shown at the left. An occasional problem in processing the checks, due to uncontrollable circumstances, could result in a day or more delay. While a delay may not be a problem for all members, it could create a definite hardship for those with automatic draws on their bank accounts or that have bills due early the next month.

Here’s a way to make sure that at least once a month you suffer “eustress” (the good kind!) where your finances are concerned. Sign up for direct deposit to avoid distress caused by late mail, bad weather, a drive to the bank, holidays, vacations, construction or whatever other stressor you can think of, including theft and loss of your check. We’re sure once you try it you won’t ever go back. It’s a free service of NPERS.

Use the attached “Request Form” to request a Direct Deposit Agreement or contact NPERS for details.

- Box 5 is the amount that is not taxable.
- Box 10 is the amount that was withheld for State taxes.

Share Your Time And Talents!

While most retirees enjoy additional time for outdoor and leisure time activities, the sharing of our life long skills or abilities with others can make retirement more fulfilling. It’s been shown that retirees who volunteer and continue to work in some capacity live longer and are happier in their retirement years.

Some activities reported by happy retirees include: helping at a library, teaching cooking skills at a vocational center, piano lessons to children, serving as coordinator for the sheriff’s search and rescue team, fund raisers for the Boy Scouts, teaching accounting to owners of small businesses, teaching a second language to others, working at state parks, etc.

What services can you render to your community? Make a positive difference in your life and the lives of others.
